Architect David Salmela, based in our hometown of Duluth, Minnesota, first collaborated with us in 2004 to redesign our manufacturing space, Hawks Boots. His award-winning residential and commercial work has been widely published, and two books by Tom Fisher explore his designs. David’s modern forms reflect a deep connection to nature and his Finnish roots, which come through in the outdoor furniture he created for Loll – many pieces named after his grandchildren.

security option:

use with:
salmela dining table (65 inch)
