Our first foray into outdoor furniture was in 2003 with a modern version of the iconic Adirondack chair. The Loll Adirondack collection combines the classic Adirondack style lounge chair with the comfort and modernity of the Loll version. All with a contoured seat and back and the option of having a standard or tall seat height, or a rocking version, you'll be sure to find exactly what you need for your outdoor lounging needs. Every Adirondack has a handy bottle opener under the right arm for emergency refreshments.
